

To: All TUFC Coaches and Managers:

From: North Florida Referees Association

Date: 3/28/06

Due to a large increase in games in the Tallahassee area, as well as an increase in soccer events, such as tournaments, college, high school and middle school games, it has become necessary to outline to everyone what the policy is for obtaining the paying referees, and what is expected from TUFC and North Florida Referees Association. The current fees and procedures are still far less than other clubs in the center and south Florida areas. The policy is as follows:

1. Absolutely NO referees are allowed to accept any game until it has been assigned to them by the designated TUFC game assignor (Bob Payne). Any referee who accepts games without being officially assigned can be fined and/or suspended by NFRA and/or FSR.
2. All TUFC games are to be assigned only by Bob Payne, or in the event of an emergency a registered game assigner designated by Bob Payne.
3. Violation of the above items may result in a fine of at least \$50.00 and/or a suspension of referee from the TUFC club until all fines are paid.
4. All referees must be registered by FYSA and NFRA.
5. Referees who fail to show for a game that is assigned can be suspended or fined by NFRA.
6. Referees that show for a game that is prematurely ended for weather or other situations or conditions shall be paid in full.
7. Referees are to be paid in full with cash either at the half or end of the game assigned.

The assigning process for obtaining referees is as follows:

The assigner, (Bob Payne), will need to be notified either in writing, acknowledged email or phone call. The assigner must be paid in advance or arrangements made accordingly before any referees can be assigned.

The assigner fees are as follows:

Ten days or more in advance - \$6.00

Five days or less in advance - \$10.00

24-hours or less - \$50.00, with no guarantee of obtaining a referee.

All assigner fees are NON-refundable.
